**SUBJECT: REFERENCE LETTER FOR THE BUSINESS ACCELERATOR CONSULTING GROUP LIMITED**

I met Mr. Donald Ocen of the Business Accelerator Consulting Group Limited and engaged his services in 2017 when I had just relocated from Canada to settle in Uganda in order to take charge of my properties in Uganda which before then were being managed by my sister. Although, I am a Lawyer by Profession, I had been out of Uganda for a long time and was not very well versed with the Laws of Uganda relating to Property Development and Rental Income Tax.

The professional, ethical approach and excellent client relationship management demonstrated by The Business Accelerator Consulting Group, not only gave me a good soft-landing in my transition from the Canadian business environment to Ugandan business environment and from my sister's management to my personal management, but also overtime, I have learned to leverage BACGs competencies to optimally manage my Tax and Corporate affairs. This has given me peace of mind and enabled me to focus on other strategic aspects of my business without any fear and anxiety.

Since 2017, the company has handled my tax affairs to my satisfaction. They engage with Uganda Revenue Authority (URA) on my behalf, answering all enquiries, concerns, handling objections and appeals, if need be, and update the tenancy status, handle Tax Credit Certificate and Tax Clearance Certificate issues as they arise.

Donald, my client relationship manager, always files my Provisional and Final Tax Returns within the first 3 days of the beginning of every year which is, almost 6 Months well in advance of the deadline and gives me a manageable payment plan to follow for the financial year. He computes the Taxable income and the Tax Liability within the confines of the law and clearly explains how he has arrived at the Tax liability. With the same diligence, Donald endeavors to minimize my tax liability and advises me on available legal measures. This has saved me the stress that could arise from fear of easily losing my business overnight due to statutory and regulatory none compliance.

I highly recommend his services

Yours Faithfully

  
Mrs. Irene Zahura Kwesiga.
